

Lockdown: Through My Eyes

Everyone is experiencing a different lockdown. Whilst we are all in the same position, that does not mean that we are all having the same experiences.

For this week's communication task, we want you to get a little bit creative. We want you to communicate in some way what your life in lockdown is like.

You may do this by:

- Writing a description of life looking out of your window.
- Writing (or even performing) a monologue as if you were the cat, and wondering how they are feeling about you constantly being at home.
- Drawing a picture that somehow represents lockdown.
- Creating a poem or song about your experiences.
- Creating a vision board with things that represent your experience of lockdown.
- Coming up with a cartoon character/ cartoon strip that shows your experience of lockdown.
- Creating a short video of 'your lockdown'.

Get creative! We would love to see you thinking outside of the box for this one, and really considering the different ways in which we communicate our thoughts and feelings to others.

Good Luck! 😊
